

LUMEN & TERRA

FOUNDATION

Illuminating minds. Sustaining the Earth

Our Focus

Values Statement

*If **innovation**, **justice**, and **stewardship** were flourishing in the world, it would address many of the problems I care about.*

Issues Statement

*If I could make a significant difference on **education**, **environment**, and **international development**, I would be pleased to have made that impact in the world.*

Mission Statement

*The Lumen & Terra Foundation is committed to **innovation**, **justice**, and **stewardship**. We aim to address **education**, **environment**, and **international development** for underserved communities throughout the world.*

Education

Expanding access to quality learning

Environment

Protecting ecosystems for tomorrow

International Development

Empowering communities worldwide
