

Assignment 1: Your Personal 30-60-90 Plan

Be specific to your actual role, your team, and what you want to leave this internship having accomplished.

Your Information

Name Carter Ward, Logan Foster, Athziri Vega, Jeremy Martel	Team / Department West Coast	Internship End Date 7/31/2026

How to Use This

Column 1 — Focus Area: What's the main theme of this phase? (e.g., relationships, delivery, leadership)

Column 2 — What I Will Do: Specific actions, behaviors, or outputs. Not 'learn things.' What exactly?

Column 3 — My SMART Goal: One goal per phase, fully written in SMART format. Reference the framework from today's session.

Phase	What I Will Do	My SMART Goal for This Phase
Days 1–30 LEARN		
Focus Area	Specific actions, habits, or behaviors you'll prioritize	Write your SMART goal here — be specific about what success looks like by Day 30
Customer Communication	Will learn how to respond in a profession tone, ask clear questions, and avoid Vague	Being able to explain issues clearly without overcomplications and be confident in your
Learning Company Software	Spend time learning how software works, what main features do, and how customers	Be able to explain the software clearly, understand the costumer’s issue better, and
Learn how different Departments work together.	Pay attention to how support, engineering, marketing, sales, and costumer success work	Be able to explain the purpose of the different departments and how they
Days 31–60 CONTRIBUTE		
Focus Area	What will you own, build, or deliver in this phase?	Write your SMART goal here — what measurable output will you have by Day 60?
Relationships	Reach out to other employees rather than waiting for them to engage.	Have started conversations with fellows more than they had to reach out to me.

Delivery	Complete some tasks or projects rather than having only ongoing ones.	Have completed some tasks, amount would depend on role and tasks given.
Improvement	Get better at some skills and tasks, either through speed or quality, depending on	Either get more done or get it done better depending on what is more important.
Days 61–End LEAD		
Focus Area	How will you show initiative, ownership, and growth?	Write your SMART goal here — what will you point to at your final check-in?
Process Improvement	Identify one inefficiency in the onboarding process and bring a proposed solution to my	By my final check-in, I will have presented one process improvement recommendation
Ownership on a Capstone Project	Take full ownership of a defined project, such as building an updated onboarding	By my final check-in, I will have delivered one completed project to my manager that is
Future Goal Setting	Reflect on what I learned across all 3 phases and come prepared for my final check-in	By my final check-in, I will present 3 specific goals for the next 6 months of my

Before You Submit — Gut Check

Read each of your three SMART goals out loud. Ask yourself:

- Could my manager read this and know exactly what to measure?
- Is this actually achievable in the time I have?
- Does this connect to something I want to be able to say I did?
